

Cytokinetics to Hold Annual Meeting of Stockholders

May 5, 2021 8:00 PM EDT

SOUTH SAN FRANCISCO, Calif., May 05, 2021 (GLOBE NEWSWIRE) – Cytokinetics, Incorporated (Nasdaq: CYTK) today announced that its Annual Meeting of Stockholders will be held on Wednesday, May 12, 2021 at 10:30 AM Pacific Time at the Company's headquarters, 280 East Grand Avenue, South San Francisco, CA. Immediately after the conclusion of the Annual Meeting of Stockholders, Robert I. Blum, President and Chief Executive Officer, is scheduled to present an overview of Cytokinetics' performance.

Due to the COVID-19 pandemic, Cytokinetics will be taking certain precautionary measures to ensure the health and safety of those in attendance. Attendees will be required to wear a face mask, comply with social distancing guidelines and pass a touchless, infrared temperature check prior to entering Cytokinetics' facilities. Anyone exhibiting fever or flu-like symptoms will not be allowed entry to the building.

Stockholders of record at the close of business on March 22, 2021 are entitled to vote at Cytokinetics' Annual Meeting of Stockholders or to attend in person and submit questions to management. Stockholders wishing to vote must attend the meeting in person or submit a valid proxy card by mail, telephone or internet by 11:59 PM Eastern Time on May 11, 2021, in accordance with instructions contained in our Proxy Statement and our Notice of Internet Availability of Proxy Materials for the 2021 Annual Meeting of Stockholders.

Interested parties may access the live webcast of the Annual Meeting of Stockholders and the subsequent presentation by visiting the Investors & Media section of Cytokinetics' website at www.cytokinetics.com. The live audio of the conference call can also be accessed by telephone by dialing either (866) 999-CYTK (2985) (United States and Canada) or (706) 679-3078 (international) and typing in the passcode 3387197.

An archived replay of the webcast will be available via Cytokinetics' website until May 26, 2021. The replay will also be available via telephone by dialing (855) 859-2056 (United States and Canada) or (404) 537-3406 (international) and typing in the passcode 3387197 from May 12, 2021 at 1:30 PM Pacific Time until May 26, 2021.

About Cytokinetics

Cytokinetics is a late-stage biopharmaceutical company focused on discovering, developing and commercializing first-in-class muscle activators and next-in-class muscle inhibitors as potential treatments for debilitating diseases in which muscle performance is compromised and/or declining. As a leader in muscle biology and the mechanics of muscle performance, the company is developing small molecule drug candidates specifically engineered to impact muscle function and contractility. Cytokinetics is preparing for regulatory interactions for *omecamtiv mecarbil*, its novel cardiac muscle activator, following positive results from GALACTIC-HF, a large, international Phase 3 clinical trial in patients with heart failure. Cytokinetics is conducting METEORIC-HF, a second Phase 3 clinical trial of *omecamtiv mecarbil*. Cytokinetics is also developing CK-274, a next-generation cardiac myosin inhibitor, for the potential treatment of hypertrophic cardiomyopathies (HCM). Cytokinetics is conducting REDWOOD-HCM, a Phase 2 clinical trial of CK-274 in patients with obstructive HCM. Cytokinetics is also developing *reldesemtiv*, a fast skeletal muscle troponin activator for the potential treatment of ALS and other neuromuscular indications following conduct of FORTITUDE-ALS and other Phase 2 clinical trials. The company is preparing for the potential advancement of *reldesemtiv* to a Phase 3 clinical trial in ALS. Cytokinetics continues its over 20-year history of pioneering innovation in muscle biology and related pharmacology focused to diseases of muscle dysfunction and conditions of muscle weakness.

Forward-Looking Statements

This press release contains forward-looking statements for purposes of the Private Securities Litigation Reform Act of 1995 (the "Act"). Cytokinetics disclaims any intent or obligation to update these forward-looking statements and claims the protection of the Act's Safe Harbor for forward-looking statements. Examples of such statements include, but are not limited to, statements relating to Cytokinetics' and its partners' research and development activities of Cytokinetics' product candidates. Such statements are based on management's current expectations, but actual results may differ materially due to various risks and uncertainties, including, but not limited to the risks related to Cytokinetics' business outlined in Cytokinetics' filings with the Securities and Exchange Commission. Forward-looking statements are not guarantees of future performance, and Cytokinetics' actual results of operations, financial condition and liquidity, and the development of the industry in which it operates, may differ materially from the forward-looking statements contained in this press release. Any forward-looking statements that Cytokinetics makes in this press release speak only as of the date of this press release. Cytokinetics assumes no obligation to update its forward-looking statements whether as a result of new information, future events or otherwise, after the date of this press release.
