

Cytokinetics Announces Proposed Public Offering of Common Stock

May 22, 2024 8:02 PM EDT

SOUTH SAN FRANCISCO, Calif., May 22, 2024 (GLOBE NEWSWIRE) -- Cytokinetics, Incorporated (Nasdaq: CYTK) today announced plans to offer, subject to market and other conditions, approximately \$500 million of shares of its common stock in an underwritten public offering. There can be no assurance as to whether or when the offering may be completed, or the actual size or terms of the offering. Cytokinetics expects to grant the underwriters a 30-day option to purchase up to an additional 15% of the number of shares of common stock sold in connection with the offering. All of the shares of common stock in the offering will be sold by Cytokinetics.

J.P. Morgan, Goldman Sachs & Co. LLC and Morgan Stanley are acting as sole joint book-running managers for the offering.

The securities described above are being offered by Cytokinetics pursuant to a shelf registration statement (including a base prospectus) filed on November 18, 2022 with the Securities and Exchange Commission (SEC), which has become automatically effective. A preliminary prospectus supplement and accompanying prospectus relating to the offering will be filed with the SEC and will be available for free on the SEC's website at <http://www.sec.gov>. Copies of the preliminary prospectus supplement and accompanying prospectus relating to the offering, when available, may be obtained from: J.P. Forward-Looking Statements

Certain of the statements made in this press release are forward looking, such as those, among others, relating to Cytokinetics' expectations regarding the completion, timing and size of the proposed offering. Actual results or developments may differ materially from those projected or implied in these forward-looking statements. Factors that may cause such a difference include, without limitation, risks and uncertainties related to whether or not Cytokinetics will be able to raise capital through the sale of its securities, the final terms of the proposed offering, market and other conditions, and the satisfaction of customary closing conditions related to the proposed public offering. There can be no assurance that Cytokinetics will be able to complete the proposed public offering on the anticipated terms, or at all. You should not place undue reliance on these forward-looking statements, which apply only as of the date of this press release. Additional risks and uncertainties relating to the proposed public offering, Cytokinetics and its business can be found under the heading "Risk Factors" in Cytokinetics' Quarterly Report on Form 10-Q for the first quarter of 2024, which was filed on May 10, 2024, and other filings with the SEC, and in the preliminary prospectus supplement related to the proposed public offering to be filed with the SEC on or about the date hereof. Except as otherwise required by law, Cytokinetics does not undertake any obligation to update forward-looking statements and expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in its expectations with regard thereto or any change in events, conditions or circumstances on which any such statements are based.
