**Explanation of Responses:**

- This option shall vest and become exercisable in 12 equal monthly installments and shall become fully vested on January 2, 2021.
- This Form 4/A is being filed to report the correct number of shares underlying the stock option, which was granted to the reporting person in connection with his election to receive 100% of his non-employee director retainer in equity, pursuant to the methodology described in the Company's most recent Proxy Statement. The number of shares reported on the Form 4 filed January 6, 2020 was incorrect due to an administrative error.
